COOKING WITH LAURA AYERS

Welcome to my kitchen!

If you have a Deep Covered Baker sitting in your cabinet, this book is about to make it the hardest-working piece in your kitchen. A whole chicken in about 30 minutes. Ribs in half the usual time. Cakes in the microwave that come out moist and delicious. It is all in here - 140 recipes, gathered into one place for you.

I organized everything the way we actually cook: quick weeknight dinners first, then the slow and cozy oven bakes, soups and chilis, breakfasts, all the starters, sides, and salads, and a big sweet finish. Every recipe tells you right up top whether it goes in the microwave, the oven, or both, and about how long it takes.

A few baker basics

- **Keep the lid on.** The lid traps steam, and that steam is what keeps roasts, chickens, and pork so moist. When a recipe says rest with the lid on, leave it - the food is still gently cooking.
- **Microwaves vary.** Times here are a guide. Check a minute or two early the first time you make a recipe, and add time in small increments if you need it.
- **No turntable?** Give the baker a quarter turn every few minutes so everything cooks evenly.
- **Hot stoneware is hot.** Use oven mitts, set the baker on a trivet or cooling rack, and lift the lid away from you - that steam is no joke.
- **Temperatures matter.** A quick check with a thermometer in the thickest part takes the guesswork out of chicken, pork, and roasts.

Now pick a recipe and let’s get cooking. I am so glad you’re here.

Mexican Chicken Lasagna

Microwave · Ready in about 25 minutes, plus 10 minutes to rest

INGREDIENTS

- 1/4 cup lightly packed fresh cilantro leaves, plus extra for serving
- 1 pkg (8 oz) cream cheese
- 2 cups (8 oz) shredded Monterey Jack cheese, divided
- 1 medium onion, chopped (about 2/3 cup)
- 1 can (28 oz) enchilada sauce
- 12 corn tortillas (6-in.)
- 3 cups diced or shredded cooked chicken

DIRECTIONS

1. Soften the cream cheese in a batter bowl in the microwave, 30 to 45 seconds on HIGH. Stir in the chopped cilantro and 1 1/2 cups of the Monterey Jack.
2. Spoon 2/3 cup of the enchilada sauce across the bottom of the Deep Covered Baker. Pour the rest into a mixing bowl for dipping.
3. Dip 4 tortillas in the sauce and lay them in the baker, overlapping as needed. Spread on half the cream cheese mixture, then 1 cup of chicken and a third of the onion.
4. Repeat that layer once more. Finish with the last 4 dipped tortillas, the remaining chicken and onion, all the leftover sauce, and the last 1/2 cup of cheese.
5. Cover and microwave on HIGH 12 to 15 minutes, until bubbling hot in the center. Rest 10 minutes, shower with extra cilantro, cut into squares, and serve.

Smoky BBQ Chicken Sandwiches

Microwave · Makes 24 rolls

INGREDIENTS

- 1 to 2 lb boneless, skinless chicken
- 1 Tbsp Garlic Infused Canola Oil
- 2 Tbsp Chipotle Rub
- 2 yellow onions
- 8 oz mushrooms
- 24 rolls
- For the sauce: 1 cup ketchup, 1/4 cup firmly packed brown sugar, 2 Tbsp Smoky Barbecue Rub, 2 tsp vinegar

DIRECTIONS

1. Whisk the sauce ingredients together in a small saucepan, bring to a gentle boil while stirring, then take off the heat. You will have about 1 1/3 cups.
2. Set the chicken in the Deep Covered Baker, brush with the oil, and shake the Chipotle Rub all over it.
3. Cover and microwave 5 to 6 minutes. Stir, moving the less-cooked pieces to the outside, then microwave 5 to 6 minutes more, until the chicken is cooked through and no longer pink.
4. Chop the chicken right in the baker to the texture you like, stir in the warm BBQ sauce, and mix well.
5. Meanwhile, slice the onions and mushrooms and saute them in a grill or saute pan until tender.
6. Pile the chicken onto the rolls, top with onions and mushrooms, and serve.

Cranberry Chicken

Oven · 425°F - about 1 1/2 hours

INGREDIENTS

- 1 to 1 1/2 lb boneless, skinless chicken breasts
- 1 can whole berry cranberry sauce
- 1 can cream of mushroom soup
- 1 packet onion soup mix

DIRECTIONS

1. Heat the oven to 425°F and lay the chicken in the Deep Covered Baker.
2. Stir the cranberry sauce, mushroom soup, and onion soup mix together and pour it evenly over the chicken.
3. Cover with the lid and bake about 1 1/2 hours, until the chicken is tender and cooked through.

Orange Chicken

Oven · 350°F - 45 minutes to 1 hour

INGREDIENTS

- 1/2 cup barbecue sauce
- 1/4 cup flour
- 1/4 cup orange juice
- 1/4 cup orange marmalade
- 3 Tbsp soy sauce
- 1 tsp grated gingerroot
- 8 bone-in chicken thighs (about 3 1/2 lb), skin removed, or 4 to 6 boneless chicken breasts

DIRECTIONS

1. Heat the oven to 350°F. Whisk the barbecue sauce and flour together in a small bowl until smooth.
2. Whisk in the orange juice, marmalade, soy sauce, and ginger.
3. Arrange the chicken in the Deep Covered Baker and pour the sauce evenly over the top.
4. Cover with the lid and bake 45 minutes to 1 hour, until cooked through.

No Peek Chicken

Oven · 350°F - about 2 hours - no peeking!

INGREDIENTS

- 6 boneless, skinless chicken breast halves
- 1 pkg long grain and wild rice, with its seasoning packet
- 1 can cream of chicken soup
- 1 can cream of celery soup
- 1 soup can of water

DIRECTIONS

1. Heat the oven to 350°F. In the Deep Covered Baker, stir together the rice, the seasoning from the box, both soups, and the water.
2. Lay the chicken on top of the rice mixture and put the lid on.
3. Bake about 2 hours without lifting the lid. The chicken comes out wonderfully tender, with rice and gravy underneath.

> **Laura's tip:** This works beautifully with pork chops in place of the chicken, too.

Lasagna

Microwave · 15 minutes on HIGH, then 20 minutes on MEDIUM - or see the oven option

INGREDIENTS

- 1 box no-cook lasagna noodles
- 1 1/2 cups Parmesan cheese, grated
- 1 cup Monterey Jack cheese, grated
- Meat sauce: 1/2 lb mild Italian sausage, 1/2 lb lean ground beef, 1 chopped yellow onion, 1 chopped medium green bell pepper, 3 minced garlic cloves, Italian seasoning, 2 tsp salt, 1 tsp pepper, 2 Tbsp steak sauce, 2 Tbsp Worcestershire sauce, 1/2 tsp cayenne, two 1-lb jars spaghetti sauce
- Cheese filling: 15 oz ricotta, 1/4 cup grated Parmesan, 1 Tbsp chopped parsley, 2 eggs beaten, 1/4 tsp cayenne, 1 tsp salt, 1 tsp pepper, 2 tsp garlic powder

DIRECTIONS

1. Brown the sausage and beef in a 12-inch skillet, breaking the meat up as it cooks, about 5 minutes. Add the onion, bell pepper, and garlic with 2 Tbsp Italian seasoning and cook 5 minutes more. Stir in both jars of spaghetti sauce.
2. Stir all the cheese filling ingredients together in a large bowl.
3. Build the lasagna in the Deep Covered Baker: a layer of meat sauce, a layer of noodles, a sprinkle of the grated cheeses, then spoonfuls of the ricotta filling spread evenly. Repeat the layers, finishing with ricotta on top - it seals in the cheese so it stays creamy instead of rubbery in the microwave.
4. Cover and microwave 15 minutes on HIGH, then 20 minutes on MEDIUM. Shower with extra Parmesan and rest 10 minutes before serving.

> **Laura's tip:** Oven option: assemble the same way in the Deep Covered Baker or Rectangular Baker and bake uncovered at 375°F for 1 hour. Rest 15 minutes.

Meatloaf (Version 1)

Microwave · 14 to 16 minutes

INGREDIENTS

- 2 lb ground beef
- 1/2 green bell pepper, chopped
- 1/3 bottle Bennett's chili sauce
- 2 eggs
- 2 cups Rice Krispies cereal
- 1/2 cup cubed Muenster cheese (optional)
- 1 chopped onion

DIRECTIONS

1. Mix everything together well and shape it into a loaf in the Deep Covered Baker.
2. Microwave uncovered on full power 14 to 16 minutes, until done, draining off grease as needed along the way. The top will brown as it cooks.
3. Put the lid on and let it stand several minutes before slicing.

Pork Chops & Rice

Oven · 350°F - 1 to 2 hours

INGREDIENTS

- 1 package Uncle Ben's Rice Pilaf Mix
- 4 pork chops
- Water, as directed on the rice package

DIRECTIONS

1. Heat the oven to 350°F. Pour the rice pilaf mix into the Deep Covered Baker and add the water called for on the package.
2. Set the pork chops on top of the rice and sprinkle them with the seasoning from the mix.
3. Cover and bake 1 to 2 hours, until the chops are tender and the rice has soaked up all that good flavor.

Meatball Subs

Microwave · About 10 to 15 minutes

INGREDIENTS

- Frozen meatballs
- Spaghetti sauce
- Hoagie buns
- Mozzarella cheese

DIRECTIONS

1. Arrange the meatballs in a layer in the Deep Covered Baker and cover them with spaghetti sauce.
2. Cover and microwave about 10 to 15 minutes, until the meatballs are hot all the way through.
3. Spoon onto hoagie buns, top with mozzarella, and dig in.

- 1 can (4 oz) chopped green chilies
- 3/4 to 1 cup salsa

- 8 oz cheddar and Monterey Jack cheese blend, grated
- 3 to 4 Roma tomatoes, sliced

2. Stir in the chilies, salsa, and Southwestern Seasoning. Microwave 2 to 3 minutes, until warmed through.
3. Spoon the filling down the center of each tortilla. Fold two sides over the filling, then fold the other two sides over to make a neat square pouch.
4. Set the pouches seam-side down in a Rectangular Baker or bar pan, brush all over with melted butter, and bake 13 to 16 minutes, until golden and crisp.
5. The moment they come out, blanket them with the grated cheese. Top with tomato slices and green onions, and serve with sour cream and extra salsa.

Beef Enchilada Casserole

Microwave · 3 to 5 minutes to finish

INGREDIENTS

- 1 lb ground beef
- 1 can (10 oz) enchilada sauce

DIRECTIONS

1. Heat the oven to 350°F and set the chicken in the Deep Covered Baker.
2. Tuck the onion, celery, and carrots all around the chicken.
3. Sprinkle half the package of dressing mix over everything, put the lid on, and bake 1 hour.

Greek Chicken

Microwave · 12 to 14 minutes, plus 3 minutes to heat through

- Pampered Chef Greek Rub, salt, and pepper
- 1 medium red onion, cut into chunks
- Orzo pasta, cooked by package directions
- 1 can (15 oz) crushed tomatoes
- Fresh Parmesan, for grating

DIRECTIONS

1. Scatter the onion chunks across the bottom of the Deep Covered Baker and lay the chicken on top. Season the chicken generously with Greek Rub, salt, and pepper.
2. Cover and microwave on HIGH 12 to 14 minutes, stirring halfway, until the chicken is done. Cook the orzo on the stove while you wait.
3. Drain the liquid from the baker, then chop the chicken and onion together. Stir in the crushed tomatoes and the cooked orzo.
4. Cover and microwave on HIGH 3 minutes. Stir well and grate fresh Parmesan over the top.

10 Minute Barbecue Pork Tenderloin

Microwave · 6 to 10 minutes, plus 10 minutes to rest

INGREDIENTS

- 1 lb pork tenderloin
- 1 Tbsp vegetable oil
- 2 Tbsp Smoky Barbecue Rub
- Smoky BBQ Sauce: 1 cup ketchup, 1/4 cup brown sugar, 2 Tbsp Smoky Barbecue Rub, 2 tsp cider or white vinegar

DIRECTIONS

1. Trim the fat and silver skin from the tenderloin. Brush it with oil, season all over with the rub, and tuck the thin end under so it is an even thickness. Set it in the Deep Covered Baker.
2. Cover and microwave on HIGH 6 to 10 minutes, until the inside reaches 150°F.
3. Rest, still covered, 10 minutes - the temperature will climb to 160°F.
4. Stir the sauce ingredients together and bring to a boil, stirring now and then. Spoon sauce over the pork and serve it as a main dish, or shred the meat for sandwiches.

> **Laura's tip:** Easy twists: swap the rub for Southwestern Seasoning Mix and serve sliced pork over onions and peppers in warm tortillas for fajitas, or use Jamaican Jerk Rub and serve over rice with mango salsa (chopped mango, jalapeno, red bell pepper, green onion, lime zest and juice).

- 1/2 cup loosely packed fresh basil leaves, chopped
- 2 cups shredded Italian cheese blend, divided
- 2 garlic cloves, pressed
- 1 tube (1 lb) prepared polenta, at room temperature, sliced into rounds

2. Soften the cream cheese in the microwave, 1 to 2 minutes on HIGH. Stir in the basil, 1 1/2 cups of the cheese blend, and the garlic.
3. Pour the remaining marinara into the Deep Covered Baker and arrange the polenta rounds over it in a single layer.
4. Layer a third of the cream cheese mixture and a third of the sausage mixture over the polenta. Repeat the layers two more times.
5. Cover and microwave on HIGH 14 to 16 minutes, until hot in the center. Scatter the remaining cheese on top, cover, and rest 10 minutes.

2. Turn the pork over, cover, and bake 2 to 2 1/2 hours more, turning it every hour, until fork-tender but not falling apart.
3. Meanwhile, stir the tomato sauce, black-eyed peas, tomatoes, corn, rub, and the remaining garlic and salt together in a batter bowl.
4. Lift the pork out to cool in the fridge. Strain the baker juices and let them stand 20 minutes, then pour off the juices, keeping them. Microwave the vegetable mixture on HIGH 3 to 4 minutes, until hot.
5. Cut the pork into 1/2-in. pieces. Return the pork, the reserved juices, and the vegetable mixture to the baker, mix gently, cover, and bake 45 to 60 minutes, until thickened. Serve with cheddar and cilantro if you like.

> **Laura's tip:** Pork shoulder is sometimes labeled pork butt. To test it, pierce it with a fork and pull straight up - tender meat slides right off.

4. Cover and microwave on HIGH 5 to 7 minutes, until heated through.

5. Scatter the pecans and candy pieces over the top and stand 10 minutes. Serve with ice cream if you like.

Peach Cobbler

Pumpkin Cake (Low Fat)

- Fat-free caramel ice cream topping, for drizzling

DIRECTIONS

1. Stir everything except the topping together until well mixed. Mist the Deep Covered Baker with oil and pour the batter in.

3. Invert onto a serving plate and drizzle with the caramel topping.

> **Laura's tip:** You cannot really taste the banana - it is there to add moisture and sweetness.

Pina Colada Pineapple Upside Down Cake

Microwave · 15 to 17 minutes, covered - serve it warm

INGREDIENTS

- 1 stick butter
- 1 cup brown sugar
- 1 cup coconut, toasted
- 1 fresh pineapple, cut in 1/2-in. slices and halved (canned rings work too)
- Maraschino cherries
- 1 box yellow cake mix
- 3 eggs
- 1 can coconut milk

DIRECTIONS

1. Melt the butter right in the Deep Covered Baker in the microwave, 30 seconds at a time. Pat the brown sugar into the melted butter and sprinkle the toasted coconut over it.
2. Lay the pineapple evenly over the bottom and set a cherry in each hole.
3. Stir the cake mix, eggs, and coconut milk together well - the batter will be thick - and pour it over the pineapple.
4. Cover and microwave 15 to 17 minutes. Test by lifting the cake gently away from each side with a large spatula: any yellow ooze means uncooked batter, so microwave 1 minute at a time until it is set.
5. Rest 5 to 10 minutes, flip it out onto a platter, and serve warm.

> **Laura's tip:** Toast the coconut in the microwave, 30 seconds at a time, stirring between rounds, about 2 minutes total.

2. Pour the batter into the baker and bake 50 to 55 minutes, until a cake tester near the center comes out clean. Cool 15 minutes in the baker, invert onto a rack, and cool completely.
